## 2023-2024 Board Goals

1. **Maintain the Catasauqua Area School District priority on curriculum, instruction, and technology integration relative to District Standards, and PA State & National Standards with a focus on employability skills and college, career, and community readiness.**
2. **Apply the results of data analysis to continually improve student performance and organizational efficiencies.**
3. **Support administrative efforts for the continual development and evaluation of building level academic and social initiatives aligned with educational best practices for all students.**
4. **Continue dialogue with our local, state, and federal legislators in order to cooperatively provide adequate and equitable funding for the Catasauqua Area School District.**
5. **Continue to develop the Catasauqua Area School District as a model district by hiring the most qualified individuals, recognizing the talents of our employees, providing valuable evaluative feedback, and implementing effective programs that benefit our students.**
6. **Facilitate open, respectful and honest dialogue among board members in order to address and clarify questions and concerns while providing transparent processes.**
7. **Continue the emphasis on fostering a safe and secure school environment, employing both physical measures, proactive mental health services, and School Resource Officers.**
8. **Implement strategies to minimize the tuition costs associated with Charter School enrollment, including high quality in-person and online learning options, enhanced community relations, and support services for students and families.**
9. **Promote the Catasauqua Area School District by implementing positive public relations strategies and showcasing successes and best practices.**
10. **Conduct a facilities study and develop short-term and long-term Capital Projects Plans.**
11. **Develop a 2024-2025 Budget that maintains currently budgeted appropriate capital and recurring expenses, along with appropriations for long-term plan goals, while minimizing the impact on taxpayers.**
